Don't miss the excitement, as Lite102.9 and Levine Children's Hospital celebrate a decade of miracles!

The 10th Annual Lite102.9 Our Kids Come First Radiothon will kick off on Thursday, December 10, in the Overcash Atrium at Levine Children's Hospital. The event will broadcast live from the hospital through Sunday, December 13. You'll hear stories of warmth and hope from young patients and their families, committed caregivers, and our dedicated listeners who help support our event, year after year.

Help us celebrate the many heroes among us. Tune in to Lite102.9 and share in this special experience.
